

Re-Challenge Program Support For EPA Nurse Candidates (Returnee)

We can offer help to EPA Nurse Candidates who need to go back to their home countries for not passing the National Nursing Exam.

Program A

○Our Program provides “Specific Intensive Course” for the National Nursing Exam and Associate Nursing Exam in Philippines.

※One month Intensive course in tutoring school style.

※A professional lecturer guides candidates with her knowledge of the Nursing education.

○We support both procedures for next years...

“National Nursing Exam” and “Fukuoka Associate Nursing Exam”

Program B

○We will support to apply for Medical Visa after passing Nursing Exam.

1 : Upon passing the National Nursing Exam, candidates are allowed to work at a Hospital or a Clinic in Fukuoka prefecture.

2 : In case of passing only the “Associate Nursing Exam”, we support their study continuously in the Nursing School affiliated with the Medical Association in Fukuoka Prefecture. And they may work at a Hospital or a Clinic in Fukuoka.
